Getting Started

1. Check the power switch on your Super Nintendo Entertainment System. Make sure it is OFF before inserting or removing the Game Pak.

2. Insert your MARVEL SUPER HEROES in WAR OF THE GEMS Game Pak into your Super Nintendo Entertainment System and turn the power ON.

3. Watch the introduction and then press START when the title screen appears.

4. You have three options from the title screen. Select GAME START to begin a game, PASSWORD to enter a previous password (see page 16) or OPTION MODE to adjust the configuration of your buttons and switch the sound between stereo and mono (depending on your system.)

5. After selecting GAME START from the title screen, then select a stage from the Stage Select screen. Press the control pad up or down to highlight a stage then press START to choose the option. Select YES to move to the character select screen or NO to re-select a stage.

6. From the character select screen highlight a character and press START. Select your available items (for more, see page 6) and press START to begin play.

7. To end the game at any time, simply turn the power OFF on your Super Nintendo Entertainment System and remove your Game Pak.
After selecting the stage and your Marvel Super Hero, you will see the Item Select Screen. The number of items you have available to use will appear underneath the item's icon. Place the cursor on the item you want to use, and press the Y button. Press the B button to cancel your selection and change the gem you selected.
The Infinity Gems number six: Time, Space, Power, Reality, Soul and Mind. It is said that the being who obtains these six gems will be omnipotent. Beings throughout the universe have struggled to control the gems.

Adam Worlock has sensed an evil force attempting to find the gems. To protect the Earth and the universe, Warlock has contacted the World’s Greatest Heroes to help him confront this evil force. One gem has already been found, and is being used as a basis for locating the others.

Thanks to the advanced super-power computers at STARK Enterprises, they have identified some possible locations of the remaining Infinity Gems. Now they leave for the mortal hunt.
Controlling the Marvel Super Heroes

Using the controller, you will have access to all of the fighting skills and mutant abilities for each of the Super Heroes. But remember, control of mutant powers does not come easily and practice may mean the difference between life and death.

To unleash a special power you need to rapidly enter a series of movements on the control pad followed by the attack button.
One of the first stages you can select is the Avenger’s Training Center. This training center gives you the opportunity to practice battle techniques, special moves and Gem Power Moves. You can also get your password for continuing a previous game here. See page 15 for more on passwords.

You will be pitted against a holographic replica of one of the villains that are out to capture the Infinity Gems. Learn attack patterns, timing and how to chain multi-hit combos here to be more effective in battle.

After you have finished your training battle, you will return to the stage select screen. You can select the Avenger’s Training Center as many times as you like.
During World War II, a secret government experiment was conducted known as Project: Super Soldier. Steve Rogers took the Super Soldier Serum and became Captain America. Now the leader of The Avengers, he has realized his full human potential with the Super Soldier Serum. Armed with a Vibranium-Adamantium alloy shield, Captain America fights the evil and injustice that threatens freedom and liberty.

Iron Man

While testing a secret weapon in Southeast Asia, industrial genius Tony Stark was injured and subsequently captured. In exchange for his weapon technology, his captors offered to nurse him back to health. Stark reluctantly agreed, but he secretly had a plan. He built a life-sustaining armor and equipped himself in it. It allowed him to escape and return home, but he cannot live for long without the aid of the armor. Stark has modified the design, expanded it's defensive and offensive capabilities and now he uses his power as the golden avenger to battle any force that threatens the security of America or the world.

**GEM POWER MOVE**

Hulk Bomber
Press \(\uparrow \uparrow \rightarrow + \text{Y BUTTON}\)

Hulk summons an earthquake and the shockwave rocks the ground and the air. All on-screen enemies will be damaged.
When you defeat different boss enemies, you will clear the stage and automatically gain that character’s gem. You must equip the gem before you can use it (see page 5). Gems offer you two features: Your Super Hero will jump higher or move quicker, and if you have the correct gem and Gem Power Item you will be able to perform a special Gem Power Move. Refer to the chart below for information on gem effects.

90-Day Limited Warranty

CAPCOM ENTERTAINMENT, INC. ("CAPCOM") warrants to the original consumer that this Super Nintendo Game Pak ("PAK") from CAPCOM shall be free from defects in material and workmanship for a period of 90 days from date of purchase. If a defect covered by this warranty occurs during this 90-day warranty period, CAPCOM will replace the PAK free of charge.

To receive this warranty service:

1. Notify the CAPCOM Consumer Service Department of the problem requiring warranty service by calling (408) 774-0400. Our Consumer Service Department is in operation from 8:30 a.m. to 5:00 p.m. Pacific Time, Monday through Friday.

2. If the CAPCOM service technician is unable to solve the problem by phone, he/she will provide you with a Return Merchandise Authorization number. Simply record this number on the outside of your shipping package, and return the entire PAK freight prepaid at your own risk of damage or delivery. We recommend sending your PAK certified mail or UPS. Please include your sales slip or similar proof-of-purchase within the 90-day warranty period to:

CAPCOM
Consumer Service Department
475 Oakmead Parkway
Sunnyvale, CA 94086

This warranty shall not apply if the PAK has been damaged by negligence, accident, unreasonable use, modification, tampering or by other causes unrelated to the defective materials or workmanship.

REPAIRS AFTER EXPIRATION OF WARRANTY:

If the PAK develops a problem after the 90-day warranty period, you may contact the CAPCOM Consumer Service Department at the phone number noted previously. If the CAPCOM service technician is unable to solve the problem by phone, he/she may provide you with a Return Merchandise Authorization number. You may then record this number on the outside of your shipping package and return the defective PAK freight prepaid at your own risk of damage or delivery to CAPCOM, enclosing a check or money for $20.00 (U.S. funds only) payable to CAPCOM. We recommend sending your CD-ROM certified mail or UPS. CAPCOM will replace the PAK, subject to the conditions above. If replacement PAKs are not available, the defective product will be returned to you and the $20.00 payment refunded.

WARRANTY LIMITATIONS:

ANY APPLICABLE IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY LIMITED TO NINETY (90) DAYS FROM THE DATE OF PURCHASE AND ARE SUBJECT TO THE CONDITIONS SET FORTH HEREIN. IN NO EVENT SHALL CAPCOM BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTIES.

The provisions of this warranty are valid in the United States and Canada only. Some states and provinces do not allow limitations on how long an implied warranty lasts or exclusions of consequential or incidental damages, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state or province to province.
